*Note: If you have earned 100+ points you may be eligible to become a Regional Rally champ. You must notify AASBD Headquarters via email or in writing if you choose to decline to attend. If you fail to notify us and champ paperwork is sent to you, you will forever lose your eligibility to be included, going forward, as an eligible point earner in that division. (This rule will be strictly enforced).

**Champ paperwork is the responsibility of the Local Race Director. Do not send paperwork home with the racer & family. Take a few minutes and sit down with them to complete these forms. All forms must be accompanied with a birth certificate, be completed and mailed as one package for each champ. Non-compliance will jeopardize your champ(s) VIP status.
